The Principal bases his proposal for a revision of this order on the score that the attendance on the 2 days the college classes have to meet will not be probably more than 25 per cent. of the students present.

Subd for order with reference to paras 10 to 15 in the collection put up.

3 The I. G. proposed a fortnight's leave commencing from the Mahalaya Amavasya but the Genl & Rev Secy found this inconvenient and suggested a fortnight's leave from Asoja Suddha Chauth. In the result, the Maharaja's College got a fortnight's leave in addition to Mahalaya Amavasya & the commencement of Dasara. ^{i.e. an} ~~in the~~ addition of 2 holidays. Now the proposal is to increase the number of holidays by 2 more.

representation that very few students will
attend college on the 2 working days in the
middle of the holidays.

Sir,

With reference to Government Order No. 1737/Edn. 56-14-2
dated 2nd December 1914 directing that in future the Maharaja's
College, Mysore, may be closed for the Dasara vacation for a
fortnight continuously from Aswija Sudha Chowti every year, I
have the honour to forward herewith copy of letter No. 499 dated
22nd December 1914 from the Principal, Maharaja's College, Mysore
requesting for the reasons stated therein, that the College may
be closed for the ~~Das~~ Dasara vacation from Mahalaya Amavasya to
the end of the Gazetted holidays as in the case of High Schools,
and to invite your attention to my recommendation made in this
office No. 4295-6/189 of the 12th September 1914.

Letter No.499 dated 22nd December 1914 from the Principal
Maharaja's College, Mysore, to the Inspector General of Education
in Mysore.

With reference to your letter No.10131/1092 dated 12th
December 1914, I have the honour to thank the Government for per-
mitting the College to be closed for the Dasara Vacation for a
fortnight continuously from Aswija Sudha Chowti every year, and
to inform you that under this order the College classes have to
meet for 2 days during Dasara on Bidige and Tadige. This reduc-
tion of working days from 4 to 2 in the middle of holidays has a
great disadvantage, inasmuch as the students will almost certainly
not return for 2 days during the Dasara holidays. There was
greater inducement for students to attend College when there were
4 working days. In the new circumstances there will probably not
be more than 25 per cent of the students present.

I would therefore request the Government to consider the
desirability of treating the College on the same terms as the
High School regarding the Dasara vacation.

SIR,

With reference to your letter No.3465/Edn.56-14-5 dated 19th March 1915 enquiring whether the three months' annual vacation for the Mahareja's College, Mysore, cannot be curtailed by a week on account of the Dasara Holidays having been increased, I have the honor to inform you that I agree that the three months' vacation may be curtailed by a week. In this connection, I beg to enclose for the information of Government copy of letter No.846 dated 19th May 1915 from Mr. Denham in which he is for curtailing from the summer vacation the actual number of extra holidays granted during the Dasara. As in the Mysore town there are often local holidays which are not granted elsewhere on account of the visits of distinguished personages and other ceremonials, the reduction ~~XXXXXXXX~~ of the summer vacation by a week is not, in my opinion, a great hardship.

I have the honour to be,

Sir,

With reference to your No.16490/1682 dated 4th April 1915,
I have the honour to state that I agree with the principle of
making up the extra days given at Dasara time by curtailing the
summer vacation by a corresponding number of days, e.g., three
extra days are to be given at Dasara this year and the summer
vacation for 1916 could be curtailed by 3 days, i.e. the College
would reopen on June 28th instead of July 3rd.
